## Global Buyers Mission

September 7-9, 2017

Whistler, British Columbia

Welcome to the 14th Annual Global Buyers Mission™ - the event to find new sources of high quality, competitively priced wood products, while reconnecting with your current suppliers and socializing with your peers.

As a pre-qualified buyer, your \$285 CAD registration fee includes Vancouver/Whistler return transportation; access to the GBM showcase; and all meals and networking receptions during the event.

The 2016 Global Buyers Mission (GBM) welcomed over 800 delegates to this invitation-only event, designed to bring together international buyers of wood and value-added wood products, with Canadian manufacturers. The 2017 event is scheduled for Thursday, September 7th to Saturday the 9th and is set once again in spectacular Whistler Village, British Columbia. This International Event continues to be a great success for buyers and suppliers alike, with estimates last year of over \$38 million in new business developed.

You will have the opportunity of meeting with Canadian manufacturers of products that include engineered wood products; remanufactured items and components; pre-fabricated housing and structures; log / post & beam / timberframe homes and structures; millwork & finished building products; and specialty lumber including Western Red Cedar - all showcased in a comfortable, networking environment.
